

Nimrod, the Spirit of Antichrist (part 2)

There is a prophecy in Isaiah chp. 14 concerning “Lucifer”, “the king of Babylon” which has puzzled many in that what it describes, as to the fate of this man, differs from what Revelation describes about the antichrist “the beast.” Is there a difference between Lucifer and the Antichrist? Or are these prophecies somehow describing the same man at different times in the future? We have previously written about the spirit of Nimrod ascending out of the bottomless pit (Rev. 17:8) and this concept offers an explanation to this mystery. Let’s first look at Lucifer of Isaiah 14 and read what his fate is:

9Hell from beneath is moved for thee to meet thee at thy coming: it stirreth up the dead for thee, even all the chief ones of the earth; it hath raised up from their thrones all the kings of the nations.

10All they shall speak and say unto thee, Art thou also become weak as we? art thou become like unto us?

11Thy pomp is brought down to the grave, and the noise of thy viols: the worm is spread under thee, and the worms cover thee.

12How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations!

13For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north:

14I will ascend above the heights of the clouds; I will be like the most High.

15Yet thou shalt be brought down to hell, to the sides of the pit.

16They that see thee shall narrowly look upon thee, and consider thee, saying, Is this the man that made the earth to tremble, that did shake kingdoms;

17That made the world as a wilderness, and destroyed the cities thereof; that opened not the house of his prisoners?

18All the kings of the nations, even all of them, lie in glory, every one in his own house.

19But thou art cast out of thy grave like an abominable branch, and as the raiment of those that are slain, thrust through with a sword, that go down to the stones of the pit; as a carcass trodden under feet.

20Thou shalt not be joined with them in burial, because thou hast destroyed thy land, and slain thy people: the seed of evildoers shall never be renowned.

21Prepare slaughter for his children for the iniquity of their fathers; that they do not rise, nor possess the land, nor fill the face of the world with cities.

22For I will rise up against them, saith the LORD of hosts, and cut off from Babylon the name, and remnant, and son, and nephew, saith the LORD.

23I will also make it a possession for the bittern, and pools of water: and I will sweep it with the broom of destruction, saith the LORD of hosts. (Isaiah 14:9-23)

The prophecy of the latter day king of Babylon describes him suffering death and descending into "hell" "the pit". But it also suggests that his body is 'cast out of the grave', and he is 'not joined with others in burial.' That is, his soul descends to Hell, but his body remains unburied. However, the prophecy in Revelation chp. 19 shows that the beast (antichrist) is taken alive and cast into the lake of fire:

19And I saw the beast, and the kings of the earth, and their armies, gathered together to make war against him that sat on the horse, and against his army.

20And the beast was taken, and with him the false prophet that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshipped his image. These both were cast alive into a lake of fire burning with brimstone. (Rev. 19:19-20)

We learn in the next chapter that at the final Judgment both Death and Hell are cast into the lake of fire, which clearly shows a difference between the place called "Hell" and the lake of fire:

13And the sea gave up the dead which were in it; and death and hell delivered up the dead which were in them: and they were judged every man according to their works.

14And death and hell were cast into the lake of fire. This is the second death.

15And whosoever was not found written in the book of life was cast into the lake of fire. (Rev. 20:13-15)

Rev. shows that the antichrist is "cast alive into a lake of fire" whereas Isaiah shows the man Lucifer/king of Babylon to "be brought down to hell, to the sides of the pit." There appears to be a contradiction to these two prophecies. Either they are describing two totally different beings, or there is another possibility, which ties directly into the conclusion we reached in our last study concerning the spirit of Nimrod. For review, here is the conclusion reached:

We can determine that the "ascending out of the bottomless pit" takes place when the world ruler on earth receives a deadly head wound and 'the deadly head wound is healed.'

"And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast." (Rev. 13:3)

"And I beheld another beast (the false prophet) coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon. And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed." (Rev. 13:11-12)

"The beast that thou sawest was, and is not; and shall ascend out of the bottomless pit, and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is." (Rev. 17:8)

These passages concern the same future event of the beast. The world 'wonders after the beast' when he ascends out of the bottomless pit AND when the deadly head wound is healed. So both of those actions must be linked together. Just as the great tribulation begins on the Day of the Lord, the ancient king of Babylon will ascend out of Hell and inhabit the body of a severely wounded leader, and all the world will "wonder." He will then lead the final rebellion against God and Jesus Christ, just as he led the first human rebellion.

It is the modern king of Babylon/Lucifer that will receive the deadly head wound soon after he 'sits upon the mount of the congregation, in the sides of the north.' He will be brought down to Hell, to the sides of the pit, but this mans body will not be buried according to Isaiah. It is then that the ancient king of Babylon – Nimrod, will ascend out of the bottomless pit to inhabit Lucifer's body. The deadly wound is healed and all the world wonders after the beast. Could that be the actual meaning to what both of these prophets revealed?

I'm sure that some would object to this concept claiming that it's not possible for one human soul/spirit to inhabit another human body. Although I don't insist that people believe this conclusion, I would ask them to at least not rule it out just yet. It's been claimed by many that it's impossible for angels to actually procreate with human beings. Nonetheless, it did happen because the scriptures plainly say so. (Gen. 6:4) So we have to be prepared to witness the "impossible" in the future, because most of what the book of Revelation describes appears to man as just that...impossible. Some have speculated that Nimrod actually underwent a genetic change of some kind when he "became a mighty one", and that he in affect became in some way part Nephilim. It is the spirits of the Nephilim (devils/demons) that actually enter into a person and fully possess their bodies. Would this explain how Nimrod would be able to perform a similar act of bodily possession? It's something to consider. And remember that it's Satan, the god of this world, who gives his "miraculous power" (Strong's # 1411) unto the beast. (Rev. 13:2)

If this interpretation of the prophecies is true, then it is Lucifer who ushers in the destruction of America and the great tribulation, while it is Nimrod/the beast who actually reigns during it, both using the same vessel. As the occultic symbol of the Phoenix represents, out of the ashes of America and Lucifer comes forth the beast – Nimrod.

As we have seen, Nimrod is in every way the absolute personification of REBELLION; For that is the very definition of his name, and he was the 13th descendant from the first man Adam.

"(nim'-rod)=Rebel; a rebel; to be rebellious; (root=to be rebellious; to resist authority). Valiant; strong; he who rules. We rebel." (Taken from The Exhaustive Dictionary of Bible Names)

Nimrod is also inseparable from Babylon, both in spirit and in function. As Nimrod was the founder of ancient Babylon (Gen. 10:10) and it's mystery religion, he is the guiding spirit behind modern Babylon. Both the man and the kingdom emulate REBELLION in all its forms. The great city Babylon of the last days, New York City, is shown to be riding upon the back of the beast, 'the king that ascends out of the bottomless pit.'

"So he carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns... 7And the angel said unto me, Wherefore didst thou marvel? I will tell thee the mystery of the woman, and of the beast that carrieth her, which hath the seven heads and ten horns.

8The beast that thou sawest was, and is not; and shall ascend out of the bottomless pit, and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is." (Rev. 17: 3 - 8)

As we further explore this we will see that:

Nimrod = 13 = rebellion = Babylon = Antichrist

From its very inception the United States (latter day Babylon) has been guided by the spirit of antichrist, which is why it began with 13 colonies, and why the great seal of the United States is replete with the number 13.

1. 13 stars in the crest
2. 13 stripes in the shield
3. 13 olive leaves
4. 13 olives
5. 13 arrows (some like to include the 13 feathers of the arrows)
6. 13 letters in Annuit Coeptis
7. 13 letters in E Pluribus Unum
8. 13 courses of stones in the Pyramid
9. 13 X 9 dots in the divisions around the crest.

This all reveals what ancient spirit was destined from the beginning to arise out of America upon its downfall. Although much of the populace during the early days of the U.S. was Christian orientated, the ruling powers were quite the opposite. Isaiah revealed the true nature of what went on behind the scenes in America's beginning.

“Stand now with thine enchantments, and with the multitude of thy sorceries, wherein thou hast laboured from thy youth...” (Isaiah 47:12)

The ones that actually “labor” in sorceries is none other than the ancient secret society and craft of Freemasonry, of which Nimrod was the first, and this Masonic presence existed in America right from its youth. Sir Francis Bacon, regarded as the first Grand Master of modern Freemasonry, set in motion the master plan to establish the New Atlantis, a Novus Ordo Seclorum, on the continent of the new world, and the footprints of this plan can be clearly seen in America's true history, symbols, and architecture, particularly that of Washington D.C. The apex of this master plan is to literally usher in the Masonic Christ from the depths of hell itself. One very informative research presentation into this subject is the video Secret Mysteries of America's Beginnings, which documents the evidence of this occultic plan for America very well.

Obama and the 6th Seal

There has been growing evidence, both in prophetic circles and secular reports, that the current presidential administration under Barack Hussein Obama will indeed be the final one for the United States (Babylon the Great) and will also witness the opening of the 6th Seal on the “Day of the Lord.” If this is the case, then it is Barack Hussein Obama who is in fact Lucifer/king of Babylon prophesied in Isaiah 14. It has been said that Obama is in fact a communist plant groomed and established as president to usher in the destruction of America. The “change” that Obama has promised was not only an announcement to the insiders of the world, but was most likely also a warning to a remnant of God's people who have ears to hear. The 6th Seal and the Day of God's wrath is definitely when the time of great “change” begins. It's not only the end of the Church age, but the beginning of the great tribulation and the start of the Antichrist kingdom. Two of the most important prophecies that I have found pertaining to this is first the Kenyan prophecy:

Kenyan Prophet, Johanwa Owalo, the founder of Kenya's Nomiya Luo Church, issued an amazing prophecy in 1912 about the United States:

“So far have they [the United States] strayed into wickedness in those [future] times that their destruction has been sealed by my [father]. Their great cities will burn, their crops and cattle will suffer disease and death, their children will perish from diseases never seen upon this Earth, and I reveal to you the greatest [mystery] of all as I have been allowed to see that their [the United States] destruction will come about through the vengeful hands of one of our very own sons.”

A second important prophecy that links Obama to Lucifer and to the opening of the 6th Seal is found in a 1971 vision issued by C. Alan Martin that is now circulating again. The vision concerns 12 houses, which represent 12 successive US presidential administrations beginning with Harry Truman. House #10 would be William Jefferson Clinton, #11 George W. Bush, which leaves the final #12 to be the current one under Obama.

12 PRESIDENTS - A Vision (1971) THE HOUSES - A Vision of the Night
(<http://www.fivedoves.com/letters/march2009/pwerner36.htm>)

“House 12 - President ???

This is the last house that I saw in this vision of the night. After this house was a dirt path that led toward a collection of boulders arranged in a semi circle which reminded me of a place where a trial was held and judgment rendered.

In another dream which took place during the millennial age, I was standing among these rocks looking at the ruins of a world rocked by the tribulation. In the ruins of these boulders I found a witch doll. I knew immediately that one of the reasons that the USA was judged was because she had gone after the occult and witchcraft.

Across from the path after house #12 was a new row of houses stretching off into the distance. These I believe are the rulers of the land that Jesus will set up during the millennium.

In the vision of the night (after I saw the star fall to the earth), I heard a voice say “Look to the east”. I began to turn and fully expected to see Jesus coming in the clouds. As I turned I saw the clouds part and I saw the blood moon and the dark sun. Both of these are symbolic of judgment being levied on a nation and the fall of a nation. I continued turning to the east and saw the ancient army approaching from the east through the yards of all the houses of the presidents. It was then that I ran down to join this army in the yard of the house of Nixon.

This was 1971. Immediately the scene changed and I was in the middle of a city in gray ruins. I saw a man emerge from what I perceived to be a “temple fortress” who was dressed in a diplomatic suit and carrying a briefcase. A voice said “He claims to be God, but is of the devil”. Then the dream ended.”

In this 12th house, or last Presidential administration, there is a reference to judgment falling on the United States while the sun is darkened and the moon turns to blood, as well as what appears to be the arrival of the Antichrist. This agrees totally with bible prophecy. Although the author correctly points out that the celestial events are “symbolic of judgment being levied on a nation and the fall of a nation”, it also is a direct reference to the opening of the 6th Seal on the Day of God’s wrath, and the destruction of Babylon (Isaiah 13:10).

“And I beheld when he had opened the sixth seal, and, lo, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood; And the stars of heaven fell unto the earth, even as a fig tree casteth her untimely figs, when she is shaken of a mighty wind. And the heaven departed as a scroll when it is rolled together; and every mountain and island were moved out of their places (polar shift). And the kings of the earth, and the great men, and the rich men, and the chief captains, and the mighty men, and every bondman, and every free man, hid themselves in the dens and in the rocks of the mountains; And said to the mountains and rocks, Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb: For the great day of his wrath is come; and who shall be able to stand?” (Rev. 6:12-17)

It says that the “kings of the earth, and the great men, and the rich men” hide in the dens and in the rocks of the mountains which they have prepared long in advance of this coming day of destruction. They are well aware of the coming upheavals due from the passing of a space body (The Destroyer, Planet X) and have done exactly as the bible foretold by building huge underground facilities carried out thru their ‘Alternative 2’ program since the 1960’s. They will also seize this opportunity while they are safely tucked underground to launch a nuclear war to maximize the death and destruction of life on the surface. This is why the bible links the day of God’s wrath to World War 3 in many places.

The destruction of Babylon not only involves “even the Lord and the weapons of his indignation, to destroy the whole land” (Isaiah 13:5), which is “the powers of the heavens being shaken” along with a solar flare, meteor impacts (most likely brought in from the passing space body), and a partial polar shift of the earth (Isaiah 13:13), but this day also involves “an assembly of great nations from the north country: and they shall set themselves in array against her; from thence she shall be taken: their arrows (missiles) shall be as of a mighty expert man; none shall return in vain (none miss their targets).” (Jer. 50:9) This is also why it says the 10 kings of the Beast “hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire.” (Rev. 17:16) God “doubles unto her double” destruction from both natural events and human warfare.

If in fact these prophecies of Obama’s administration are true, then we are not far away from these monumental events about to happen simultaneously. We are now already witnessing a huge growth in “ruler against ruler” with Obama’s government, which is exactly what transpires in Babylon before God executes “judgment upon the graven images of Babylon: and her whole land shall be confounded, and all her slain shall fall in the midst of her. Then the heaven and the earth, and all that is therein, shall sing for Babylon: for the spoilers shall come unto her from the north, saith the LORD. As Babylon hath caused the slain of Israel to fall, so at Babylon shall fall the slain of all the earth.” (Jer. 51:46-49)
